# MAKE A BREAK THRU FOR CF

## SPORTING CLAYS TOURNAMENT

**Vulcan**  
Materials Company

April 24 & 25, 2020

**CURE FINDERS**  
*fighting cystic fibrosis*

2020 and it's just getting better and better in the CF world. We're ramping up for the big CF shoot and look forward to seeing you, hearing from you and getting to see each of you once again. We have attached team sign up information (last page) and sponsor information. Give a look and get signed up!

A short update on two of the CF kids that we know, Callie and Cale Deanda. They get used as the benchmarks for all of us because we get a snapshot of their lives on a yearly basis.

Callie (now 23) is a registered nurse and needs 2 years of work history to be eligible for the doctorate program. On completion she will be a Certified Nurse Anesthetist.

Cale (21) is employed at Sevierville Water Systems, purchased a house and, as usual, is always into something new. In the past few years we've seen many dirt bikes, jet skis, 4-wheelers, paintball guns and mountain bikes. His world is in constant motion.

And just so you stay in the loop with all 3, Gray is now a married man. Kaileigh also military is a welcome addition to our family. Gray's military career continues and as you can imagine, we dread those late-night calls that tell us he will be out of the country for a period of time. He has seen several foreign deployments and is, of course, keeping his mother and I on our knees praying for his safety. Hopefully, he'll make it to the big shoot this year.

Most importantly, while cystic fibrosis is always a front burner item in the lives of CF patients, forcing certain behaviors and regimens (treatments, diet, etc.) it has, thankfully, not caused any hospital stays or major illness for our household in the past year. This is due, at least in part, to travels to Duke University Hospital and their participation in the Trikafta trials. This is the breakthrough drug we shared with you last year. As we have interacted with the CF community, we are always astounded at how tough these CF patients are!!! Others of our friends have endured far more hardship in the past year.

Come and shoot with us. We'll give you the rest of the story.

**CURE FINDERS**  
*fighting cystic fibrosis*

Why join Vulcan Materials Company and help sponsor the 'Make-A-Break-Thru for CF' Sporting Clays Tournament? Your donation will be used to help find a cure for cystic fibrosis the most prolific genetic killer of our children. Research in the recent past has produced several successes in treatment and many believe that a cure will be found in the near future. In the 1960's the life expectancy of a CF child was 4 years, now, 2020, it has risen to 47+. With your help, we WILL find a cure.

After reviewing the opportunities please select a sponsorship level below.

<input type="checkbox"/> Title Sponsor (Sold to Vulcan Materials, \$25,000)	<input type="checkbox"/> Gold - \$2,500
<input type="checkbox"/> Event Sponsor - \$10,000	<input type="checkbox"/> Silver - \$1,000
<input type="checkbox"/> Platinum - \$5,000	<input type="checkbox"/> Bronze - \$500

### *About the Tournament*

In 2019, our 17th year, over 500 participants had a great time. Our volunteers were praised for their efficiency, our sponsors honored at every opportunity and our shooters felt like old friends over for dinner at a shoot on a private range. That's important but even better we raised over \$206,000 for cystic fibrosis research. Oh, and the best prime rib you will ever eat! We are committed to an organized, quality tournament, good food, good fun, good friends and a good cause, the cure for cystic fibrosis. It's worth every drop of sweat and worry we put into it. Know this, you may arrive a stranger but you'll leave as a friend!

### *Days & Times*

Friday – April 24 <sup>th</sup>	-----	9am - 1pm - 3:30pm
Saturday – April 25 <sup>th</sup>	-----	9am - 1pm
Team (4 man) (w/cart)	-----	\$600
Single Shooter	-----	\$150
Additional Cart	-----	\$20
