# MAKE A BREAK THRU FOR CF

## SPORTING CLAYS TOURNAMENT

**Vulcan**  
Materials Company

April 21 & 22, 2023

**CURE FINDERS**  
*fighting cystic fibrosis*

2023 and it's just getting better and better in the CF world. We're ramping up for the big CF shoot and look forward to seeing you, hearing from you and getting to see each of you once again. We have attached team sign up information (last page) and sponsor information. Give a look and get signed up!

ffThey get used as the benchmarks for all of us because we get a snapshot of their lives on a yearly basis.

Callie, 27, is now married, a registered nurse and is doing GREAT.

Cale (25) now managing Iron Mountain Sporting Clays, is also doing quite well. He is in the hunt for a new truck (anyone have a Raptor for him??). He has now finished the remodel on his home, active in his church and all around busy.

And the Gray man is not to be left out. He is still enjoying his Army career, working with the Special Ops teams at Fort Bragg. While his career is exciting, you can imagine how we dread those late-night calls that tell us he will be out of the country for a period of time. He has seen several foreign deployments and is, of course, keeping his mother and I on our knees praying for his safety. He is currently looking forward to a full year paid vacation in beautiful South Korea.

Most importantly, while cystic fibrosis is always a front burner item in the lives of CF patients, forcing certain behaviors and regimens (treatments, diet, etc.) it has, thankfully, not caused any hospital stays or major illness for our household in the past year. This is due to the drug, Trikafta, that has been a life changing development for many CF patients, these two included. This breakthrough drug is one of the many that are working and working because of the diligence, finances and prayers you have brought to us. We will continue until CF stands for Cure Found!

Come and shoot with us. We'll give you the rest of the story.

April 21 & 22, 2023

**CURE FINDERS**  
*fighting cystic fibrosis*

Why join Vulcan Materials Company and help sponsor the 'Make-A-Break-Thru for CF' Sporting Clays Tournament? Your donation will be used to help find a cure for cystic fibrosis, the most prolific genetic killer of our children. Research in the recent past has produced several successes in treatment and many believe a cure will be found in the near future. In the 1960's the life expectancy of a CF child was 4 years, now, 2023, it has risen to 57+. With your help, we WILL find a cure.

After reviewing the opportunities please select a sponsorship level below.

<input type="checkbox"/> Title Sponsor (Sold to Vulcan Materials, \$25,000)	<input type="checkbox"/> Gold - \$2,500
<input type="checkbox"/> Event Sponsor - \$10,000	<input type="checkbox"/> Silver - \$1,000
<input type="checkbox"/> Platinum - \$5,000	<input type="checkbox"/> Bronze - \$500

### *About the Tournament*

In 2022, our 19th year, over 400 participants had a great time. Our volunteers were praised for their efficiency, our sponsors honored at every opportunity and our shooters felt like old friends over for dinner at a shoot on a private range. That's important but even better we raised over \$250,000 for cystic fibrosis research. Oh, and the best prime rib you will ever eat! We are committed to an organized, quality tournament, good food, good fun, good friends and a good cause, the cure for cystic fibrosis. It's worth every drop of sweat and worry we put into it. Know this, you may arrive a stranger but you'll leave as a friend!

### *Days & Times*

Friday – April 21<sup>th</sup> ----- 9am - 1pm - 3:30pm  
Saturday – April 22<sup>th</sup> ----- 9am - 1pm

Team (4 man) (w/cart) ----- \$700  
Single Shooter ----- \$175
